E35127 SL

Double flexible arm

3 Brightness levels

Powerful LEDs

Long reach 73cm (28.7")

Table D52107 base available separately

## ULTRA BRIGHT LEDs

This powerful LED table lamp will light up a large work area. It provides a long arm reach of 73cm (28.7") and wide, even light coverage. The daylight LEDs provide bright illumination that is dimmable. The double flexible arm allows accurate positioning. Supplied with a table clamp. An optional table base is available separately.
